**ADDRESS CORRECTION REQUESTED**

For over 50 years, Camp Westminster has been a home away from home to untold numbers of overnight campers each summer. We're proud to now bring that same Christian camping excellence to the day camp experience...

Located in Conyers, GA—Just 20 miles East of Atlanta

## Day Trek

Our weeklong “Day Trek” sessions are perfect for the first-time camper or for families looking for creative summer activities. A total of four sessions are offered, each running Monday through Friday, 9:00AM to 4:00PM.

## Activities

Situated on over 120 acres, Day Trek activities are instructive, confidence-building, and a ton of fun! Each day looks different, as campers rotate through a wide variety of outdoor activities. These include:

- Horseback Riding
- Swimming
- Creative Art
- Soccer and Other Field Sports
- 50-ft Climbing Tower and Zip Line
- Fishing and Canoeing
- Archery

All Waterfront activities are supervised by American Red Cross certified life guards, and all horse-related activities are led by wranglers certified through Christian Camping Horsemanship International.

## Staff

The Day Trek experience begins and ends with our caring and well-trained staff. Each counselor is carefully chosen for their character and ability to positively relate to children and youth. Our low camper-to-counselor ratio ensures that each camper is both encouraged and challenged. All staff members are certified in American Heart Association First Aid and CPR, and complete our own seven-day training and orientation program. Our staff also includes a nurse on site each week and available at any time.

Come prepared for a full week of incredible growth, new friendships, and never-ending fun!

## Hot Lunch Included

Each afternoon, Day Trek campers will enjoy a hot lunch prepared by our excellent kitchen staff. These meals will be served in our Dining Hall and enjoyed alongside other overnight campers and staff.
