

Camper safety is of utmost importance to us. To ensure your camper's safety, we do the following:

- Background checks are run on all staff, including counselors, cooks, nurses, etc.
- All counselors are required to be certified in CPR, and must participate in first-aid instruction during staff training
- Our lifeguards are trained and certified through the Red Cross Lifeguard Certification program
- Our ropes course/climbing tower crew are trained and certified each year by an ACCT accredited trainer, currently Signature Research
- Our wranglers are trained and certified each year by an accredited horsemanship lesson trainer, currently CCHI – Christian Camp Horsemanship International.
- Our climbing tower & ropes course are inspected and certified annually by an ACCT accredited inspector, currently Signature Research.
- Our horse barn is licensed annually by Rockdale County
- Our dining hall is licensed annually by Rockdale County, and is inspected by the Rockdale Health Department twice each summer
- Our swimming pool is licensed annually by Rockdale County, and is inspected by the Rockdale Health Department twice each summer
